

RWB

RAUH Welt BEGRIFF stands for wide body kit tuning company specializing in Porsche made by Akira Nakai based in Japan.

Before tuning Porsche, it was a Japanese car tuner such as Toyota AE86 and Nissan Silvia. However, Nakai developed the first RWB Porsche build called 'Stella Artois' with the Porsche 930, becoming the company that only tune classical Porsche. It then released a kit from Classic 911 including 930 to last air-cooled 911, 993.
